Orville Brooks Has Narrow Escape in Auto Runaway.

Orville Brooks, of Bagdad, representing Young & Co., wholesale grocers, Nashville, experienced a very unpleasant accident several days ago, while en route home from a week's trip up the country, when the car in which he was traveling at a moderate rate, suddenly left the road and ran into C. C. Holland's garden fence. Mr. Brooks escaped injury, but the car together with a lot of Mr. Holland's garden truck, didn't fare so well. Orville admits that he was pretty well loaded—with orders, notwithstanding.

Toilet Complete.

J. M. Anderson, contractor and plumber, of Cookeville, who has been supervising the work on the toilet in the basement of the courthouse, completed the job Tuesday. The work was done by experienced plumbers, under the direction of Mr. Anderson, and the committee is well pleased with the work. It cost the tax-payers of the county \$2,250.00, and is well worth the money, if properly taken care of. A janitor will be employed by the chairman of the county court, who will have full charge of the courthouse. It is very necessary that a competent man be secured for this job, as the property as it now stands is worth \$75,000, and we doubt if it could be built for that price, at the present cost of material.
